Leaving from St. Petersburg to Beijing

As a contrast to some of our trips about the culture, history and traditions of the destinations, this trip is more adventure driven and packed with outdoor activity! It even operates year round, including husky dog sledding in the Urals Mountains. There's hiking at Lake Baikal in summer or snowmobiles in winter. A little shot of vodka afterwards will warm you up!

In the know...

The Urals, forming a 1,500 km border between Europe and Asia.

“Nomads” don’t just wander around aimlessly. Most Nomads will roam over the same land and tracks their grandparents knew, always returning in winter to the same place, where their animal-pens are located. Nomads traditionally count their wealth in head of animals, not in money.

Siberia lies entirely in Asia, and its native peoples are Asiatic it was the Russians who came as settlers. There are over 30 native Asiatic languages still spoken in Siberia to this day.

Chinese cuisine varies enormously from region to region, and it’s really truer to say that there are many different cuisines in China.

No ordinary trip

At The Russia Experience we like to ditch the clichés, discard the puff and concentrate on what we do best – bringing to life the world’s longest train route: the places visited, the encounters made and the realisation of a journey that is both engaging and rewarding.

We continually look at ways of enhancing the Trans Siberian experience, incorporating seasonal considerations (such as the Harbin Ice Festival), providing the historical context (pay a visit to the only remaining Soviet Gulag) or inviting you to savour the diverse cultural influences of indigenous people (sit down with a shaman, or enjoy the Siberian art of throat singing!). We have no group departures, our advertised

dates always operate (barring anything completely out of our control) and, above all, we will tell you it like it is – allowing you to make the right choice from a portfolio of journeys rich in variety and full of memorable experiences. Sorry! We couldn’t resist at least one cliché!

Visa Requirements

Visitors to Russia, Mongolia and China require visas. These must be obtained prior to departure. Visa processing times for these countries can be up to;

Russia	10 Working Days
Mongolia	06 Working Days
China	07 Working Days

However fast track processing is possible.

Due to the support documents required by the Embassy of Russia (which we obtain), you will need to book your trip before starting to obtain visas.

For full information regarding visas, please refer to our web site.

Hints and Tips

The Siberian border was more than symbolic in the C19th – it delineated an area where a more rough and ready system of justice operated, where escaped serfs who had run away from their masters could legally claim sanctuary. For oppressed religious minorities, escaped serfs and others, the one-way trip to Siberia was, ironically, the "highway of hope".
